The third keepsake created for the Hands Touching Hearts gift collection is a wall hanging.

It measures 8 1/2 inches wide by 11 inches tall.

Like all program keepsakes, the wall hanging is designed to be transformed by the work of the decorator's hands. For this gift, program participants trace one of their own hands in the white space and then decorate the surrounding area.

Upon completion of the gift, the decorator has two options:

1. Take the keepsake and give it to an active-duty service member, reservist or veteran that the decorator knows personally.

2. Give the keepsake to Ann M. Cosgrove, the originator of Hands Touching Hearts, and have her send it to an active-duty service member who is transitioning to civilian life.
